Certificate III in Aged Care

As the population ages, more career opportunities become available. Health Services Training Australia invites you to enrol in our ever-rewarding Certificate III in Aged Care.

This industry-recognised training program is delivered in a community learning context. It aims to prepare you for work in aged care. You will gain knowledge, experience and skills, which include learning how to start working as a Personal Care Assistant.

You will participate in practical classes under the careful instruction of our experienced trainers and assessors. You will complete a series of assessment tasks that culminate in a period of work experience with a host employer of your choice, and gain the Certificate III in Aged Care.

“Be there for the ones who have always been there for you...”
Real Skills and Real Experience

You will supplement your classroom learning with simulated and on-the-job work experience, to properly prepare for employment.

The Certificate III in Aged Care (CHC30212) includes training and assessment in these nationally recognised units of competence:

- CHCAC317A Support older people to maintain their independence
- CHCAC318B Work effectively with older people
- CHCAC319A Provide support to people living with dementia
